Look for Corporate participation, firm participation

Barber

Find someone who wants to open an innovative Hair Salon together with me. Also In Combination with a Café, a Bar or the like.

The Idea is New. It has not yet been fully worked out, but I would like to bring this to an end With my (Future) business partner.
(I was Lucky enough to learn the "old School" of Hairdressing, and I would like to pass it on)

If you have any Interest and Questions, please report ...
