

The big business marketplace

Business for sale more than 15 years

ID 10087

Look for Corporate financing, investor **IT**

In order to setup a Stock Company we are looking for Investor, Partners and or KOOPs. It is our goal to have millions of users daily on our website. We are looking to be in 65 major cities in Germany by the end of next year and then Europe and world wide. We offer daily information in the cities for consumers. For any and everyone wanting to know what is happening and available today, tomorrow and daily in major cities. With videos, pic galleries, Route planner, Events lists and city calendar with up-to-date daily info about shopping (with price lists), dining (with menu and prices), events, and what is available and possible. Software, Website, Datenbank, System, Marketing concept und Business Plan in English und Deutsch are available.

Capital

Region 45, Germany
