Look for Corporate financing, investor **Fashion Store**

We are two young Store-Owner & we have about 1 years before our boutique opened! We offer fashion for self-confident women ... Fashion than their feeling of life to understand.

Until well ran everything goes according to plan now we want to expand our inventory thoes a larger range of products to our customers to be able to offer.

Consisting of demand, working together with big labels world-wide in the first year several television appearances ... in the best location in the heart of Cologne in the immediate vicinity of known shopping streets as Ehrenstrass, Pfeilstrasse!

Buisnessplan is excisting .Interessting worthwhile ;-)
