

The big business marketplace

Business for sale more than 15 years

ID 10594

Offer Corporate sales, firm sales, sales

Online shop

we are selling an online shop for rocking chairs. The scope includes: Domain, webshop license, ready shop, customer data and manufactures contacts.

We have developed the shop a couple of months ago but due to lack of time and due to a missing warehouse in Germany the shop has not yet been marketed.

The shop can either be used to start an own business or as an extension to an existing retail shop.

The shop can be moved and operated from anywhere.

Corporate sales

Region 11, Austria

Entry in own name
