Look for Corporate participation, firm participation

Gold trade

We are looking for capital for the participation in the trade of gold, silver and jewelry in Spain.

The trading begins in January on the Canary Islands.

Since it is in Spain on the banks offered no gold, and only one private entity to the mainland carry out the gold sale, the demand is very large. Many Spaniards want your gold competence, but found no buyers. In return, there are very many foreigners, what your permanent residence, but no way to buy gold.

The trade is conducted with German precision and with appropriate contacts in the Canary and Balearic Islands.

Consideration was a silence participation. The money comes with a yield of 7% + profit on an appropriate period of 2 years back.
