

The big business marketplace

Business for sale more than 15 years

ID 12233

Look for Corporate financing, investor

Food

We are a young company which is engaged in the marketing of Spanish delicacies under our own label in Germany and Europe.

For the introduction of a new product for which there is, after initial advertising a huge demand, we need capital in the amount of 150,000 euros in the form of a silent participation or a loan.

For more information, we will send you information material to feed
