Look for Corporate financing, investor

Bakery

Seeking capital for the acquisition of a bakery.

The stores are modern and have a very large sales potential, they are also cheap.

The result in was around € 270 TSD.

The bakery is sold, as the present owner back for health reasons must consider.

Since there are requests from the LEH in the following locations to Apply and align the bakery is slightly stable, the investment round

TSD 1000 euros.

So we financed the property and assets.
