Holidays resort for senior and disabled people in Spain

For the realization of an innovative, cared for holiday area for seniors and disabled people interested investors and partners are wanted. The mechanism contains also a promoted solar power station, as well as appropriate barrier-free architecture. Different location possibilities, a management team with appropriate speaking and specialized knowledge, Businessplan and contacts are available. Participation starting from 10.000 € (benefit rights, rights of residence) is possible. Total capital need approx. 5 millions €. Excellent yields possible.
