Offer Corporate sales, firm sales, sales **Sale of a business**

To assign wholesale for a new water fun board with TÜV (Technical Control Board) in Germany/selling license European-wide.

General partnership started in 2007 the exclusive selling of a top level product from Austria, proprietary protected innovation. Production is in Austria with TÜV/GS.

The product represents a worldwide novelty and has a unique selling proposition. The worldwide novelty is equipped with an electrical motor. You may glide over the water. The cruiser is operated with at present strongest accumulators and steered via electronics.

The exclusive distribution licence you may obtain from the manufacturing company. A business plan as well as a distribution plan for Europe is available. Also a participation in the form of capital and active selling cooperation is gladly possible. The product is positioned at the market in the upper quality and price segment.
