## Offer Corporate sales, firm sales, sales **Trading company**

The company sells more than 20 years successfully handle systems in the private sector, as well as smaller systems in the industrial sector (cleaners, laundries, tailorings, hotels, homes, etc.). The company offers a separate service for repairs on the spot or sent to their own devices in the workshop. This service is in western Switzerland and Ticino through resellers assured.

The marketing of the devices is through participation in trade fairs, mouth to mouth propaganda, advertisements, Internet, and retailers. In addition, the company has a loyal customer base and a mailing list of over 10,000 addresses.

For the distributed products the company has exclusivity in Switzerland.

All units are tested and could also be distributed internationally.

About 20% of sales are made in fairs.
