Look for Corporate participation, firm participation **Temporary employment / employee transfer**

We are looking for new / expansion of a temporary employment companies a partner / Partners

We have been working for about 10 years in the industry and have very good contacts so that the start-up period to a minimum can be reduced. The customers and employees would be included in the new company subsidiary.

About terms, we would like to discuss with you personally.

[Participation](#)

Region 50, Germany

Entry in own name
