Offer Corporate sales, firm sales, sales **State of the art Ice Business on Mallroca**

State of the art 'Ice Business' which makes and supplies sacks of ice to hospitality and retail businesses across the South of Mallorca. Now in its third year of trading, the business already has a fixed client base of 250 clients which is growing weekly.

The initial investment into the construction and installation of all equipment was over 400,000€ and includes an enormous walk-in freezer, freezing blast tunnel, electric overhead pulley system, reverse osmosis system for water purification, automatic bagging system and more. The plant is capable of producing 5,000 kilos (500 bags) of ice every day. Also included in the price are two refrigerated delivery vehicles (one large transit size and one smaller van).

The business can currently be run by two or three people, even in the height of the summer months.
