Offer Corporate sales, firm sales, sales **Limo service**

For Sale, a limousine service with a focus on "letting of stretch limousines."
The company has since 2003 on the market, in the year 2007, it was renamed to a GmbH.
2 types of income, to a mediation business (worldwide), and by letting its own stretch
limousine (regional or limited to Germany). One of us has developed software allows us
automatically to all incoming orders. Of inquiry to invoice everything in the online mode
and from anywhere in the world to regulate. A very successful Internet Platform with about
1000 visitors per day and 5000-6000 requests per year.

In its own fleet of vehicles are licensed vehicles of the upper class. Feels promotional tours
with stretch limousines, wedding rides, company transfers, airport transfers, close
collaboration with the film industry. Huge range and great opportunities.

The sale is the complete fleet of the company, as well as the unique software and related
domains. The sale without cars is also possible. Negotiated basis
