Look for Corporate financing, investor **Apartments**

This is the purchase of 7 apartments. The apartments will be mainly to families with children rented out. In the pre-and post-season are parents with small children and older guests conceivable. The board is largely under their own initiative. In addition, stressed parents a wellness oasis. During this time, the care of the kids. Also children's entertainment during the day and care for children in the evening hours are also offered. So the parents have the opportunity to be alone for once.

In addition, there is the opportunity to place homemade cakes and coffee, and ice from their own production, but also other angerichtete manufacture its own food to verköstigen. A barbecue for 20 people still needs to be established.

It is a state-recognized Kurbadeort. There is an approximately 60,000 square foot bathing beach with beach toys. For guests with dogs is a specially designated dog trail. Shops and restaurants nearby, well-maintained bicycle paths, various sports and leisure facilities in the nearby environment: Fishing, swimming, beach volleyball, cycling, skating, horseback riding, surfing, hiking, driving kite flying, etc., contribute to the relaxation and recreation. A heated seawater pool surrounded by lawn and a tennis court complete the extensive offer. Along the dikes lead long, well-developed cycle tracks. Always in direct proximity to the water as you explore the coast, fishing and ferry port.

A capacity should be 100% over the year with each season approaches can be achieved.
