Offer Corporate sales, firm sales, sales **private clinic**

Private clinic near Zurich for sale

The clinic is direct in the sea area located and easily to reach from two known airports. A complete renewing process with huge capital invest was completed this year. In fact the object will be overgiven as complete function clinic, including building, property and interior.

Currently over 20 attending doctors serving 17 different medical fields. The clinic has 35 rooms and 30 beds, sorounded by an own cafe, big garden and parking spots.

Over 1.000 clients are treated per year, which leads to an actual outlast of over 70%. For a possible expansion of a new owner, it exists a approved building plan up to seven floors.

Due to the undertakership of the well known owner in another leading sale company of medical products, it was achieved a very high standard of quality and an excellent network with specialists. Two further therapies fields are planned and agreed, through well know specialists, in wound and pain therapy.

The owner will retire and is ready for sale the clinc to the right buyer. Without provision for the buyer.

It is a great chance to obtain this modern object for an attractive price
