## Look for Corporate sales, firm sales, sales **Sports and martial arts schools**

We are looking for a space, if possible in a large German city, for the foundation of a sports and fight/self-defense school. It would be ideal if sports equipment were available for adoption; of course, however, a completely empty hall, which can be expanded, would also be of interest.

\*Offer is still valid. \*

### [Corporate sales](#)

Region 28, Germany

Entry in own name
