Wood pellets production

In this way, we want to attract an investor at our side.

Our project relates to the production of wood pellets in .

We offer:

1. production room and warehouse with railway connection;
- 2.State-backed long-term contracts for timber purchase;
- 3.Work and accounting staff at acceptable wages;
4. Transport of the finished production to Germany and other EU countries directly to the existing customers with our own forwarding agent;
- 5.) Obtaining all necessary permits and approvals in ;

On the part of investors, funds are needed for the purchase of a production plant.
A corresponding offer from a renowned German manufacturer is already available.
