Offer Corporate co-operation, firm cooperation

IT-Service

Bin since mid- with my company in Spain (Tenerife) resident. I'm looking for strong computer sales service for the purpose of cooperation. My company is officially in the Canary Islands Special Zone Organization "ZEC" and will therefore benefit from the tax relief (14.5%) and a tax rate of 0%. Since I would like to expand and new businesses looking, I'm in cooperation with interested service providers strong performance.

My ideas:

DASS> 250,000 €

Co-operation
