

The big business marketplace

Business for sale more than 15 years

ID 10298

Look for Corporate financing, investor **Online-Shop**

We are a young but ambitious company which is focused mainly on sales of electronics specializing in the Internet. The main focus is the distribution of console and PC items to private individuals, as well as to traders and companies.

To prepare for the Christmas business, we are looking for someone who is a partner with capital or even capital available.

Since June, our company also has a shop in town.

Capital

Region 67, Germany
