## **Lotto-Totto**

Search a lottery-totto business with newspaper sales, postal agency etc. as a full existence in the greater or Herford area.

I have been working as a retail store manager for 13 years and am looking for a solid and secure way into self-employment for me and my family to build a long-term existence.

A solid training would be very important to me.

I am 40 years old, married for 14 years and we have a 10 year old son.
