Online shop with specialist shop: organic food for dogs and cats

Online shop with specialist shop: organic food for dogs and cats, as well as organic food supplements and care products.

The specialty shop is unique in the city and has been in the middle of the organic scene since January 2003: 90 sqm - a low rental contract.

The constant influx of new customers is also ensured by the cooperation with pet homeopaths, veterinary practitioners and some veterinarians.

The order business has existed since January 2000 with approx. 360 products and has a long-standing customer base.

Overall, sales are always increasing - the trendy concept offers a secure future perspective.
