## Look for Corporate financing, investor **Leisure and Sport Arena**

The Company wants to expand its Business Area (fitness/Health and children's indoor adventure game park and recreational indoor arena under one Roof). Currently, the Main Business is to Operate two fitness and Health Companies.

Companies already exist-on which the Concept is based. To Adapt the Market, the Area of children's indoor adventure play park and leisure indoor arena will be expanded. Through the Range Of possible Leisure Activities, Children from the first Months of Life and Adults are approached into old Age. The Company has many different Leisure time and Health Offers under one roof in one Location and thus offers all Stakeholders of all Ages an Opportunity to Use it.

The total Usable area of the Company is approximately 7,450sqm
