Business Sale due to Shareholder Separation.

Dear Interesting.

Here, the unique Offers the Opportunity not only to acquire a Business Idea, but also the entire Business including a product.

The Development: For several Years now, a Research Agency based in has been Running Tutoring courses for BUSINESS administration and VWL Students. Since then, several Hundred Students have attended the Courses and passed Their Exam.

The Idea of producing a DVD developed when we thought about the Scalability of our Tutoring Courses, as we could only accommodate 30 People in one course at a Time. Together with some Experts as well as a Professor and an Actor, we have developed a DVD course for Microeconomics, which is located at all Universities in the Lets German-speaking space sell.

Due to personal Circumstances between the Shareholders, Liquidation is now taking Place.
