ID 10964

Offer Corporate co-operation, firm cooperation

Car service park Co-use

Community makes strong. We are looking For Tradesmen who want to take advantage of our Open Spaces and Premises.

Suitability for Used car Trading, Tuning operation (Workshop available), treatment/car maintenance, expert equipment appraiser, insurance. Together we become the Service Park for Motorists. Representative Business Premises with Shop Windows available, good Location, firm customer Base. It's just about Sharing, not Franchising or Anything Like that. Benefits for each Individual: Existing Infrastructure, good Location with a lot of Transit traffic, 60m street front, existing Good Reputation, existing customer base that can be shared, since no Conflicts of Interest, small Room costs at large, Representative Appearance.

[Co-operation](#)
