We save the customer the way to the cleaning.

Ideal for start-ups - also as a 2nd mainstand:

Proven and ongoing business concept is looking for license partners throughout Germany.

We are the textile cleaning with office pick-up and bring-service.

We serve exclusively business customers and take care of their business clothes (shirts, blouses, suits, etc.).

Our mission: Well-kept clothing - relaxed customers.

With our service, we make it as easy as possible for the customer by taking everything from him about textile cleaning.

The customer can coordinate his appointments by phone, or online.

Thanks to our web-based online system, the customer can view his orders online as well as print the invoices in addition to the appointments.

In addition to customers, the web-based online system is also available to service drivers who record the orders in them.
