Sun studio

This well-established sun studio, located at the foot of the Taunus, in an attractive residential/business centre with direct motorway access (only 15minutes from the city centre OF FFM), has a unique atmosphere and high-quality furnishings, which are highly appreciated by customers. It impresses with architectural features that extend over 220m2 of floor space. Here the 11 sunbeds and 1 partial body tanners of different manufacturers such as Dr. Müller, Hapro, and Ergoline are distributed. These are controlled by a modern computer studio control from Tantec, and sonicated by an 8-channel sound system. There are also other rooms for massage, foot care or nail design. The studio also has several dedicated customer parking spaces, which is highly appreciated by visitors. The customer register currently comprises approx. 1,200 customers with a customer card. Predominantly very cash-rich audience. Price by appointment.
