## **Restaurant, Cafe, Club**

We are looking for an active partner from the field for our gastronomic establishment over 2 floors. The gastronomy has been run very successfully by the same operator for 20 years. As the demands and workload increase, we want to seek cooperation, enrichment and relief in this way. A later complete handover cannot be ruled out.

You should be a professional in gastronomy. It would also be nice if you have experience in event management.

More information and capital requirements in a personal discreet conversation.

We are located on a large lake in a holiday and recreation area of Munich and Augsburg. The potential is very great. Tourism has good growth rates.
