Look for Corporate follow-up, firm follow-up, follow-up **Hotel garni/Pension**

Search Hotel or Guesthouse in The Lower Franconia area or on the North Sea or Baltic Sea.

The Farm should have 10-40 Rooms or 50 Beds. I don't want a Catering Business. Therefore, I am more likely to look for a Hotel garni or a Company with little Gastronomie, but not the Inn, which, for example, has 100 Seats but only 5 Rooms.

As a trained Hotel Clerk, I have been working in the service sector for 22 Years at the Age of 38.

With Organizational Skills, Flexibility and great Friend in My profession, I want to offer every Guest a Feel-good oasis.

I Am happy to take over As a Tenant, as a Tenant or on a Pension Basis.

Thank You for all the Offers.
