

# The big business marketplace

Business for sale more than 15 years

---

ID 11288

## Offer Corporate sales, firm sales, sales **Online Branchenguide**

The core is the customer-oriented design and implementation of web-sites. The goal will be activated with an experienced management and a fresh commitment and an innovative initiator.

Various industries get their own guide, each with its own domain and a partner who represents the guide in the network. Due to the large number of guides arises a system that is clearly for the user. This gives the internet a structure which is easy to understand and apply.
