Debt Collection Service

Urgent Investor or silent Partner wanted for new Debt collection agency. About €10,000-€15,000 of seed Capital For Licenses, marketing, etc., Is needed.

Tenant Requests are also available. We are not planning a Debt Collection like there are already a thousand others. We work for Companies WITHOUT Costs (out of court). Since many Companies pay large Sums to debt Collection agencies, there is still a high Potential in the Industry.

Representative Visits are planned to attract new Corporate Clients. Test Campaigns at AdWords were also very successful-About 3-4 new Tenants every day.

The Start should take place as soon as possible. Because every day lost Means lost new Clients. Very high Commissions are sought, as 1. No One imposes the collection Fees on Us and 2. Once won, corporate Customers automatically generate new Orders.

We await Yours with Your Ideas.
