Modern Internet portal - Football

For sale is a fully programmed and already tested Web 2.0 community with many features. The target group is football fans throughout the German-speaking world.

The offer includes everything related to the community, i.e. domains, designs, programming, trademark and copyright, etc.

The community offers its users many useful services, such as typing game, ride-sharing exchange, fan club directory, barfinder, news functions, discussion forums, etc. and enjoys a great design in contrast to competitors. Anyone who knows about football knows that football fans are probably the great community of interests in Germany. Accordingly, the marketing potential of the community is also high.
