

The big business marketplace

Business for sale more than 15 years

ID 11832

Look for Corporate participation, firm participation

Production and trade

We produce and trade in Charcoal and already have a good Customer Base and a Plot of land (3000 m2) in a Warden Area, in Egypt. I still need a Partner who participates in the Company in order to buy new Ovens and thus expand. The Company makes high Sales because the Order situation is very good. You will be happy to find out more when You contact me.
