## Offer Liquidation, Operating dissolution **Stone trade**

approx. 250-300 tons of marble from business resolution:

Plates, blocks, etc. unpolished

e.g. travertine (limestone Italy), Carrara (marble Italy), Vanga (granite Sweden), Udelfanger sandstone (Germany) and multicolor red (granite), etc.

The raw blocks are probably made of travertine or trosselfels, possibly muschelkalk (definitely a limestone).

partly stored in the grounds, partly in the hall.

For self-collection.

### [Liquidation](#)

Region 36, Germany

Entry in own name
