## **Agency of holiday apartments**

Since we have been successfully providing fully furnished accommodation in and the surrounding area. As one of the largest agency agencies in , I am looking for home owners to work together. We see ourselves as a cheap alternative to expensive hotels and can look back on a very good response. Unfortunately, there is a lack of capacity of furnished housing. Now we are looking for a house or property owner who would like to work with us. Booking requests are available in sufficient measure (daily 2-5 enquiries online). Our internet presence can be found on page 1 among the top ten hits on Google.

Conclusion: We are looking for vacant apartments or houses in for further rental for fitters and trade fair exhibitors. It may also be possible to sell the online portal for newcomers with an interesting price offer.
