Hotel / Sauna and Wellness

A "queer" hotel with a large unique sauna and wellness area will be created.

It is a project that does not yet exist in Germany.

Explanations and details can be found when contacting us.

The idea and the business plan have been well received everywhere so far. Only the lack of equity capital is the mango at the moment. There are some "ready-to-go statements" from banks that, of course, say that the acquisition cost of the property by investors and/or sponsors would speed things up and make things easier.
