Retail Special Item

Ladies and Gentlemen, in order to further increase our Product range and Increase sales, we are looking For investors who support us with Capital, if necessary this can also be done through silent Participation.

The Capital is needed to offer the customer An even wide Range of products (currently about 12,000 different Items in stock), thus generating a greater Product pressure and thus finding their increased Purchasing Interest.

A correspondingly high Daily Customer Flow is available. We can prove corresponding Sales as well as corresponding Sales Increases.

Thanks to our Presence so far, we have left a positive Customer Impression and our Customers are happy to shop with us. We have a lot Of regular Clientele and therefore can resort to good Mouth-to-mouth Propaganda.

Appropriate Liquidity Planning and invoices by a recognised tax Office as well as current Sales Figures and Balance Sheets can be presented.
