Offer Corporate participation, firm participation **Collection**

I run a small debt collection company and-despite excellent Opportunities-I cannot expand. Standard Working-takes so much Time that I have to neglect important Tasks such as Acquisition, Marketing, Optimization of Work Processes, implementation of new Technologies and Workspaces, Etc.

I am urgently looking for a lawyer's partner, a legal partner (even with only 1st State Exams) an operating manager in or a but clerk with debt collection knowledge, the at/, who takes over the standard expert processing.

Cooperation is possible either in the Form of a Revenue Share or a Company Share, whereby a Company Shareholding requires a Capital share of €25,000.
