

The big business marketplace

Business for sale more than 15 years

ID 12243

Look for Corporate sales, firm sales, sales

Mail order store

I am looking for a webshop, internet trade, order for adoption. The industry is basically secondary for the first time, but the company should already generate demonstrable sales or profits. It would be desirable to have an induction. If there are staff, this will be taken over. Preferred would be the IT industry / computer industry is not a prerequisite.

[Corporate sales](#)

Region 41, Germany

Entry in own name
