

The big business marketplace

Business for sale more than 15 years

ID 12259

Look for Corporate financing, investor

Car Rental, computer trading

Looking For investors or Shareholders to Participate in our up-and-coming Company, we want to expand the Car rental and computer trading sectors and need Debt capital. Also not out of the question is the Takeover of the entire Company at a negotiable Price.

Capital

Region 12, Germany

Entry in own name
