Trade in motor vehicle parts, accessories and tyres

Trade in automotive parts and accessories as well as tyres, existing regular customers from workshops and car dealerships as well as petrol stations are available.

The trade is operated from home, therefore there are almost no expenses since the rent for a shop and all associated expenses are saved.

BWA's from the last financial year (with shop) can be submitted.

Capital is needed for pre-financing of goods, a company vehicle, advertising, etc.

Collateral is sufficient.
