## Offer Corporate sales, firm sales, sales **Small leather goods wholesale**

Trade / wholesale of small leather goods, bags, accessories and similar products.

In the heart of Schleswig-Holstein, we operate an economically sound wholesale of small leather goods, bags, backpacks, purses, leather belts, accessories such as inexpensive perfumes, batteries and similar products.

A solid customer base of retailers, mainly in northern Germany, but also nationwide, with expansion reserves for an active transferee, is available. The customers in Northern Germany are mainly supplied in the rack jobbing service, in addition, an ever-increasing customer base visits our sample exhibition/collection warehouse and sorts off independently (cash carry sales), the other customer base is addressed via our webshop, our catalogues and newsletters as well as advertisements in specialist organs and orders for shipping by a parcel service.
