Sonnenstudio

We sell a long-established sun studio, which has been in existence since 1997 with a high level of customer base. It is the only certified sun studio in a university town with about 80,000 EW. The technology is well maintained, the employees are trained by certified training according to the radiation protection regulations. Best hygiene and safe sunbathing.

The studio we are looked after by a studio manager and assistants. The sale is due to the departure of the studio owner and therefore due to a lack of time with regard to the management by the owner. There are 8 benches of different thickness (all ergoline benches).

The studio is well equipped with computer control and shop equipment. All benches are paid. There are 7 parking spaces rented. The studio has about 130 sqm of space. The monthly rent is net 900 euros. The sale price is 59,000 euros.
