Look for Corporate financing, investor **Resort**

I am looking for a Loan to Build four Guesthouses on my Offshore Island in Canada. The Construction Of the Guesthouses marks the Completion of preparations for The implementation of Camps and Holiday Holidays for individuals and Groups. In recent Years, the Island (Area 12 hectares) has been largely developed to Hold such Events: A Drinking Water Fountain has been created, two small Houses (one winter-proof) have been built, Hiking Trails have been laid out and a Jetty Has been built.

In addition, a Waterfront property with a small House on the Mainland was purchased to allow unhindered access to the Sea.

After The holding Of first Camps (both with Adolescents and with Adults), regular Offers are to be made for .

The wanted loan of EUR 60,000 Is expected to run for ten years. I offer market-standard Interest Rates, annual Repayment Rates or final Repayment.
