

The big business marketplace

Business for sale more than 15 years

ID 12577

Look for Corporate participation, firm participation

Textile trade

We offer a franchise in the field of branded clothing, especially jeans and jackets. We are looking for financial participation to speed up business development. The business model is mature and in the start-up phase. A sum of 75,000 euros is required. After only 2 years, the stake paid off with the corresponding return.

Details will only be announced after consultation.
