Offer Corporate sales, firm sales, sales **Cleaning and Stucco operation**

For reasons of Age and lack of Succession, I would like to sell the GmbH of an old-established cleaning and Stucco company. The Company was founded in 1962 and converted into a Limited liability company in 1987. Lately, there has been little Business Activity, according to the Loss Presentations of approximately €75,000.00. The GmbH is handed over without Receivables and Liabilities. There are no Tax Liabilities. The Share capital of €25,564.59 was paid in full.
