## Look for Corporate follow-up, firm follow-up, follow-up **SMES-Production and Manufacturing**

My Partner and I, want a Succession Plan in the Industrial/Production sector (SMES), preferably in The area.

We have worked together for many years in The Industrial sector (Management) and have the commercial and technical Training, in addition to the entrepreneurial Attitude.

Together we have extensive Experience in Operational Management (up to 500 MA), Sales, CONTROLLING, QM (Audit), Development (Patent Application), Production management and optimisation.

We would be happy to discuss Further Details.
