Offer Corporate participation, firm participation

Mining

Participation in Mining, Investor, Shareholder

Gold and Copper Plant Mine We offer Investors/Shareholders the Opportunity to participate in a mining project in the Field of extraction of gold, copper and nickel ore. Alternative financing Officers are also very welcome.

The Deposit is explored and has a Value that this Mining Area Classify as a World-class Deposit.

The Investment capital Is to be provided as Start-up financing for the following Tasks and Work: We want to build and commission an Ore mine.

To do this, machines, Trucks, Excavators, Caterpillars and Tools for Mining Operations must be purchased. In Addition, Operating Funds are needed for Personnel Costs and Planning Work in the Start-up Phase.

The Investment Volume/total Financing in the Final Expansion phase amounts to more than 100 Million Euros.
