Trading company

Trading company is searching for financial partners. Main activity is import and retail of wood production and wood briquettes. Wide range of business relationships in Russia provides a possibility to expand trading activity. The demand isn't fully met yet so there are plans to increase the import volumes of the wood briquettes. Also there is a business plan for Lithuanian food export to Russia, i.e. there are contracts with suppliers in Lithuania and buyers in Russia, arranged prices and product range, financial evaluation of the plan. In the future we are planning to develop the production of the wood briquettes in Russia. Investment required : for import and retail - ; for production – could be arranged.
