Offer Corporate sales, firm sales, sales

Textile embroidery and trade

Founded in 1999, the company has developed into a service/production company with an interesting broad customer base in recent years. Due to professional changes, the company is for sale. Induction and accompaniment is offered by the entrepreneur. The focus is on embroidering advertising and workwear according to the individual wishes of the customers. In addition to textile embroidery, a commercial section is included in the area "Posten Holzgartenmöbel" (Seasonal)
