Business for sale more than 15 years

ID 13051

Offer Corporate sales, firm sales, sales

Retail trade with seminar operation

This shop is located in the r old town at the beginning of the pedestrian zone and yet with parking and road connections. Long-year regular customers, running customers and tourists always like to visit this shop. The focus of the product range is on precious and healing stones, jewellery and a wide range of esoterika. Inventory according to inventory 200,000,- EC. This company trains. In there is an extensive renovation of the 40sqm sales room and 15sqm treatment room. I would like to separate myself from it for personal reasons.
